DRIVER TIPS & NOTICES

Assisted Rides Update: On your Dashboard > Available Requests. One of your new actions for each available request is "Not Interested". You can mark that if you are not available for the ride and the office will know that you are not available for that ride. That way we at least know that you saw the request.

Contact the Care Receiver: *Call* when you first sign up for a ride and again on the day of the ride.

Be Prepared for Changes: If unforeseen situations arise, such as an additional person or mobility issues, contact the office.

Driver Business Cards: Ensure Care Receivers have your contact information.

Covid Test Kits: Limited supplies are available at the office.

Emergency Car Kits - Free to Volunteers - if you haven't received one yet, please stop in the office and pick yours up.

Elder Abuse Concerns: Report any concerns to the office

- The course is completely free
- Takes less than 1 hour to complete
- Focused on basic safety reminders
- **Completion earns you a \$50 gift card (your choice Sheetz, Walmart or Target)**
- Email or bring a copy of your completion certificate to the office.
- If it has been a year since you took the course it can be repeated and you will receive another gift card!
